\* If you would like to purchase more than 4 green fees, you can book them directly at the Penati Golf Resort reception for the same discounted package price (10%).

\*\* Starting prices may differ upon your request and availability of particular villa / apartment house.

## Optional:

- **Electric golf cart** for 24 hours
- Electric golf cart **only** for the golf course
- **Trolley** (Electric or pull)
- **Range balls** (basket with 32 balls)
- **Dinner** in the club house Al Trivio Restaurant
- **Transport**
- **Experience** – choose one of the given experiences below (check the availability)
  - **Baking of the traditional Skalica “Trdelník”** – experience the whole process of this traditional delight directly at the Havlík family residence. This family has been baking “Trdelníky” for over two generations now. A true experience!
  - **Traditional distillery** – visit one of the nearby distilleries and find out how these delicious spirits are made in this given area. Spirited tasting included!
  - **Beer tasting** – have no doubt – the countryside produces great beer too! The Brewery Sandorf, located in the Prievaly village, offers not only a tour of the brewery but a delicious portfolio tasting as well. Cherry on top of the cake? Their beer spa, the first of its kind in Slovakia! You can have your beer and drink it too while taking this special bath.
